Subject: Friday

Tim and Sam -

Please plan to attend Friday's mtg when USGS Ca Water Science Director, Eric Reichard, and Roger Fujii visit with Alexis and I. This is the third time we've gotten together to informally discuss our respective priorities, so we better understand and can look for intersections. They'll be here from 9 - 11. Here's my rough agenda:

1. Delta
 - A. post-anpr activities
 - Est Hab
 - RMP
 - MeHg
 - Pesticides
 - Se
 - B. BDCP - wq impacts

2. Upcoming RFPs

3. State-wide WQS

- toxicity
- MeHg
- biocriteria
- cadmium
